The Texas Transportation Commission (commission) desires to award funds previously awarded to the Texoma Area Public Transportation System, Inc. (TAPS) to Ark-Tex Council of Governments, Public Transit Services, Rolling Plains Management Corporation, and SPAN, Inc., as identified in Exhibit A.

On January 6, 2016, the board of directors of TAPS, a rural transit district, voted to temporarily suspend services in its six-county service area. Neighboring transit districts are providing service during this temporary period, thereby ensuring continuity of service in Cooke, Clay, Fannin, Grayson, Montague, and Wise counties.

Transportation Code, Chapter 455 assigns a broad spectrum of public transportation roles and missions to the Texas Department of Transportation (department).

Transportation Code, Chapter 456 authorizes the commission to administer public transportation programs.

IT IS THEREFORE ORDERED by the commission that the executive director or the director's designee is hereby authorized to proceed with the awards not to exceed the balance amounts shown in Exhibit A and to enter into the necessary contracts.

IT IS FURTHER ORDERED by the commission that the executive director or the director's designee is hereby authorized to notify the recipients in writing.
