The Texas Transportation Commission (commission) desires to award \$19,494,762 of federal funds under the Federal Transit Administration (FTA) Formula Grants for Rural Areas Program (49 U.S.C. §5311) to Texas rural transit districts and further acknowledges that federal program regulations require the Texas Department of Transportation (department) to ensure that these grant funds are distributed fairly and equitably within the state.

The United States Congress has passed the Fixing America's Surface Transportation (FAST) Act, authorizing funding for federal fiscal years (FY) 2016 – 2020. FTA has made available the apportionments for FY 2016. Awards to rural transit districts are calculated in accordance with the formula in Title 43, Texas Administrative Code, §31.36(g)(2). The distribution of the FY 2016 awards is shown in Exhibit A.

Transportation Code, Chapter 455 assigns a broad spectrum of public transportation roles and missions to the department.

Transportation Code, Chapter 456 authorizes the commission to administer funds appropriated for public transportation.

IT IS THEREFORE ORDERED by the commission that the executive director or the director's designee is directed to proceed with the FY 2016 §5311 FTA allocation for the program as described in Exhibit A, submit the necessary state application to the FTA, and enter into the necessary contracts for the FY 2016 program of projects.
