

TEXAS TRANSPORTATION COMMISSION

NUECES County

MINUTE ORDER

Page 1 of 1

CORPUS CHRISTI District

Article III, Section 49-k of the Texas constitution (constitutional provision) created the Texas Mobility Fund (fund) in the state treasury and provides that the fund shall be administered by the Texas Transportation Commission (commission) as a revolving fund to provide a method of financing the construction, reconstruction, acquisition, and expansion of state highways and to provide participation by the state in the payment of a portion of the costs of constructing and providing publicly-owned toll roads and other public transportation projects, in accordance with the procedures, standards and limitations established by law.

The Texas Legislature implemented the authority granted by this constitutional provision in Transportation Code, Chapter 201, Subchapter M (enabling act). Transportation Code §201.943 provides that the commission, by order, may issue obligations, including Texas Mobility Fund general obligation bonds, secured by and payable from a pledge of and lien on all or part of the money in the fund.

The Port of Corpus Christi (Port) has submitted a request to the Texas Department of Transportation (department) for state participation in the form of a grant from the fund in the amount of \$1,675,000 to pay a portion of the costs of construction of public transportation projects selected by the Port Authority Advisory Committee to (1) widen a section of the Joe Fulton International Trade Corridor near Mile Marker 5 to add turning lanes to a new intersection and entrance to provide access to M&G Group plant, and (2) add signage, striping, pavement, drainage, and automated rail signal/gate and street lights in Nueces County, Texas (project).

By Minute Order No. 114491 on February 25, 2016, the commission updated the Unified Transportation Plan and allocated Category 3 money from the fund for the project. The department recommends that the state participation in the development and delivery of the project be provided in the form of a grant to the Port of money in the fund other than the proceeds of obligations issued under the enabling act.

NOW, THEREFORE, IT IS DETERMINED that the request for a grant from the fund submitted by the Port of Corpus Christi meets the eligibility requirements of the constitutional provision, and the commission approves the request for funding from the fund in the amount of \$1,675,000, in the form of a grant of money in the fund other than the proceeds of obligations issued under the enabling act, to be used for the purposes described herein, and directs the executive director to implement the actions necessary to effect the purposes of this minute order.
